## PERSONAL STATEMENT

I'm a 25 years old Full Stack Web Developer & Freelance Designer from Kandy, Sri Lanka. I love everything that has to do with Web design & development, Graphic design, Packaging, Logo design and I feel a true devotion for typography.

I have 7 years of experience working as a freelancer and working on an studio, I love working with people, specially if they have the same passion I have for what they do.

Why don't we work together? Go further down to see why I am the man you need to hire!
